THE TOURNAMENT COURSE

Mirror Lake Golf Club which opened in 1999 was designed by Rocky Roquemore and Jeff Burton. The Lake course has a wooded front nine which turns into a back nine defined by Mirror Lake on several holes. It is a challenging layout that uses bunkers, doglegs, and two-tiered greens to test golfers of all skill levels. The new Bermuda greens are large and roll true. It has a grass driving range and practice area to hone your shots before the tournament.

After testing your skills on the course, join us for a luncheon, awards ceremony, raffle drawings, and a silent auction in the clubhouse. The view from the clubhouse will provide the perfect setting to relax after a long day of golf.

TOURNAMENT GOALS

Our development projects are aimed at enhancing the overall experience of our university students. The Georgia State University, Department of Recreational Services encourages and supports young professionals to attend conferences at the local, regional and national level within the field of recreational sports.

Proceeds from the tournament will be used to support the continual professional development of those student staff members who wish to continue their careers in the field of recreational sports as they move forward in their professional endeavors.

Thank you for your support of this event.
