Club Account & EIN # Set-up

How to set-up an off-campus account?
A sport club has the option of opening up an account at an off-campus bank or credit union. A bank account gives the student organization the option to write checks and have instant access to account funds. A sport club will need to visit a bank in person and speak with a relationship banker. Most currently active clubs have an account set-up with Wells Fargo. The local Wells Fargo address is 2 Peachtree St NW Atlanta, GA 30303. The contact at this branch is Vanetta Ball, vanetta.ball@wellsfargo.com, 404-865-4002. Before visiting the bank, the club will need to establish an EIN # and obtain an official letter on letterhead. Most banks will require the club to have a letter on letterhead confirming the club is a recognized University organization. Plan to notify the Sport Clubs Coordinator 1-3 business days in advance of setting up the account to obtain this letter. The EIN # serves as the Tax ID # for the club’s off-campus account. The Georgia State University Tax ID # is NOT allowed to be used as the number for the club. Once an account and EIN # are set-up then it is strongly recommended for the club to submit the University Direct Deposit form to the Sport Clubs Coordinator. This form can be found be going to the Sport Clubs webpage: http://recreation.gsu.edu/intramurals-clubs/sport-clubs/resources/. By completing the University Direct Deposit form it will allow for all club reimbursements to be directly deposited into the club’s off campus account.

PLEASE NOTE: Sport Clubs are considered nonprofit associations. When setting up an off-campus business account please establish it as a non-profit organization. Listed below is the information on EIN # and how to obtain one for the account set-up.
