The Tournament Course

Flat Creek Country Club is a 27 hole course that features three diverse nine hole tracts. It was designed and built in 1968 by the team of Joe Lee and Rocky Roquemore. The golf course has several elevation changes that can make club selection difficult. The courses navigate around Flat Creek which influences golfers on several holes. Flat Creek also boasts one of the best driving ranges and practice areas in Peachtree City. The clubhouse is expansive with sweeping views of the finishing holes on the Old Mill and Homestead courses.

After testing your skills on the course, join us for a luncheon, awards ceremony, raffle drawings, and a silent auction in the clubhouse. The view from the clubhouse will provide the perfect setting to relax after a long day of golf.

The Department of Recreational Services 13th annual golf tournament will strive once again to provide a great setting for fun and fellowship. We look forward to spending a memorable day on the links with you at Flat Creek Country Club.

Thank you for your support of this event.
