About Georgia State University
Georgia State University is in Atlanta, with an enrollment of over 50,000 students. The mission of the department of Recreational Services is to promote healthy lifestyles through exceptional recreational programs, services, and facilities. At the Atlanta campus, Recreational Services is housed in the 161,000 ft², $30 million Student Recreation Center (SRC). Our two off-campus sites are also managed by the department; Panthersville Recreation Complex, an outdoor lighted multipurpose athletic field area and the Indian Creek Recreation Area which includes the Lodge, Challenge Course, Outpost, an outdoor pool, event lawn, and sand volleyball court. The department also offers recreation opportunities at our five Perimeter campus locations.

About Georgia State University Graduate Assistantships
The department of Recreational Services offers numerous graduate assistant opportunities. Our positions are designed to provide enhanced service to our patrons and programs while providing an excellent opportunity for the graduate student to enhance their academic knowledge and professional skills. This position is specific to supporting programs or services offered at the Atlanta campus. The information below is for your review to assist in your decision on whether to apply for the position.

Tuition will be waived including out of state waiver. You are responsible for your student fees and books. Current graduate assistants are granted a 10% book discount at the GSU bookstore. You will receive a $4,500 stipend Fall and Spring semesters and up to $3,000 for Summer (depending on your appointment/hours worked). These amounts are based on 20 hours of work per week during the academic semester. This appointment is on a semester-to-semester basis dependent upon job performance and funding. Scheduling will be determined by your supervisor and will vary each semester. Academic classes will be accommodated. Please note that you do not get your first check until the last working day of September. Plan accordingly.
