Complimentary breakfast biscuits and orange juice.

Our development projects are aimed at enhancing the overall experience of our university students. The Georgia State University, Department of Recreational Services encourages and supports young professionals to attend conferences at the local, regional and national level within the field of recreational sports.

Proceeds from the tournament will be used to support the continual professional development of those student staff members who wish to continue their careers in the field of recreational sports.

Thank you for your support of this event.

Georgia State University would like to invite you to the 17th Annual Recreational Services Golf tournament this year at The Frog Golf Club. This challenging golf course designed by renowned golf architect Tom Fazio, is a great course to host a 4-person scramble. The designer has put together a series of risk/reward holes that tempts golfers to “Go for Broke” throughout the round.

The smooth rolling, fast greens gives everyone a chance to make some birdies. The Frog Golf Course now part of the Honours Golf Group, boasts a new clubhouse with a scenic porch view of the 18th green. After testing your skills at The Frog, plan on joining us in the clubhouse for an awards ceremony, raffle drawings, and a luncheon prepared by the staff of The Frog.

The Department of Recreational Services Annual Golf Tournament will strive once again to provide a great setting for a day of fun and fellowship on the links.
